Introduction to Process Instrumentation Measurement	1	Eng. E. Matare	12 November 2020	0830-1600	CONQUENAR House-Harare	500.00	1
Unfired Pressure Vessel to PD5 500:2003 Design - Appreciation	3	Eng. Munyaradzi Kwenda	18-20 November 2020	0830-1600	CONQUENAR House-Harare	1500.00	3
Service Level Agreements	2	Dr Daniel Basch & Eng. C. Chikara	26-27 November 2020	0830-1600	CONQUENAR House-Harare	3000.00	2
Project Management with Microsoft Project	3	Dr Eng. W. M. Goriwondo	2-4 December	0830-1600	PPC Bulawayo Factory	3000.00	3

Please Note

- a) Detailed individual course overview and content may be accessed on the ZIE CPD handle on www.zie.org.zw

Alternatively, send a course content request to wilson@zie.co.zw

- b) Please note that all ZIE CPD courses are on pro bono i.e. offered on voluntary basis by the facilitators with noted investment meant to cover mainly associated recurrent expenses,
- c) Facilitators, however, will be paid 'break-even' token of appreciation or honorarium ,
- d) Prospective participants are advised to register their interest on time **by submitting a duly completed CPD registration form** and make payment (where the CPD course is not for free) to foster organisational logistics,
- e) The scheduled CPD courses may be customized for **organisations, companies or ZIE Areas** provided the minimum number of participants (n =15) and related investment / running costs are met.
